Attachments: ARASP SR Workshop Comments Nov 5 2015.pdf

Good Afternoon,

ACC's Center for Advancing Risk Assessment Science and Policy (ARASP) appreciates the opportunity to provide suggestions for the December Systematic Review workshop.

We believe this is a very important discussion and are pleased that EPA is hosting the workshop. The attached comments are provided in the spirit of helping to improve the dialogue on specific important topics.

Please let me know if you have any questions for us or would like to discuss any of the recommendations.

Regards,
Nancy
